

**Release of Liability**  
**Diaper Changing**  
**2015 – 2016**

**During the course of the school year the children in the 2's class may require a diaper change. If for any reason during your absence, your child has a potty accident, this form gives the other parent/guardian/friend permission to come to the preschool and change your child.**

**A Child's First Steps Preschool is not licensed for diaper changes, and technically because we are in a public building, we cannot have anyone changing diapers in the restrooms or hallways.**
